

21 DAYS OF PRAYER

Day 10:

Focus for Today:

Today take some time to pray for the existing campuses of The Ridge Community Church; along with any potential future campuses that God may direct us toward. Pray for the Greenfield campus and the people who attend there on an occasional or regular basis. Pray for the Oak Creek campus and the people who attend there on an occasional or regular basis. Pray also for the Online campus and the people who attend there on an occasional basis or regular basis along with the people who are just checking us out online before connecting to a local campus. Consider also praying for the potential of future campuses of The Ridge and where God may lead us next.

Daily Scripture:

Matthew 28:18-20 "Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Prayer Example:

Father, I come before you today and pray for the existing and potential future campuses of The Ridge Community Church. I pray for the Greenfield campus and everyone who attends there occasionally or regularly that you would strengthen them and their families and help them take steps in their faith journey this season. I pray for the Oak Creek campus and everyone who attends there occasionally or regularly that You would strengthen them and their families and help them take steps in their faith journey this season. I pray for the online campus and the people who attend there occasionally or regularly as well as those who are just checking us out online before connecting to a local campus and that You would help them take steps in their faith journey with You. I pray as well for the potential of future campuses in communities that You desire for us to impact, guide us and direct us toward Your will, as well as Your heart for these new locations! Thank You that You use us to help people find and follow You! In Jesus' name I pray, Amen.
