

# 21 DAYS OF PRAYER

## **Day 18:**

### **Focus for Today:**

*Today take some time to pray for health challenges that people in our communities face on a regular and ongoing basis. Pray for those with terminal illnesses and chronic ongoing healthcare needs. Pray for provision for those in our community who cannot afford the level of healthcare they need. Pray for hospitals and clinics in our community and everyone that seek help in sickness and injury. Pray for doctors, nurses and all involved in meeting healthcare needs in our community for wisdom and discernment in all that they do. Consider visiting a local healthcare facility while praying for these needs today.*

### **Daily Scripture:**

*3 John 1:2: Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well.*

### **Prayer Example:**

*Father, I come before You today and seek your comfort, provision and healing for people in our communities that are facing health challenges on a regular or ongoing basis. I pray for those with terminal illness and chronic ongoing healthcare needs that they would experience your comfort, provision and healing. I pray for provision for those who cannot afford the level of healthcare they need. I pray for the various hospitals and clinics in our community and everyone that seeks help through these in sickness and injury would come to experience Your comfort and peace. I pray as well for the doctors, nurses and all others involved in meeting healthcare needs in our community that you would give them wisdom and discernment in all that they do. In Jesus' name I pray, Amen!*
