

21 DAYS OF PRAYER

Day 19:

Focus for Today:

Today take some time to pray for the various needs of people in our community and the role we each play in this. You could pray for the oppressed to find hope, protection and rest in Jesus. Pray for inequality and distribution of wealth in our community. Pray also for local organizations that support the various needs of our community. Also pray for each of our roles in working toward equality and justice.

Daily Scripture:

1 John 3:17-18: If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth.

Prayer Example:

Father, I come before you today and humbly seek You and Your hear for the community I live in and am a part of. I pray for the oppresses to find hope, protection and rest in Jesus. I pray about inequality and distribution of wealth in my community that it would be balanced, fair and just. I pray for local organizations that support the various needs of our community as well and that you would provide for them the resources they need to help people in various needs. I pray for my role in working toward equality and justice and that I would connect with your heart for people and justice and be a reflection of that in the world around me. In Jesus' name I pray, Amen.
