

21 DAYS OF PRAYER

Day 21:

Focus for Today:

Today take some time to be silent before God and seek how He wants to use you to impact the community around you. You could begin by praying briefly about your role in how God wants to use you to impact the community around you. Find a quiet place to focus. Take some time and be silent listening for God to speak to you. Consider walking around your neighborhood or visit a park in your community as you pray and listen to God today.

Daily Scripture:

1 Peter 4:8-10: Above all, love each other deeply, because love covers over a multitude of sins. Offer hospitality to one another without grumbling. Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.

Prayer Example:

Father, I thank you for this 21-day prayer journey and your work in my life through this time. Guide me in the days and weeks ahead to continue to connect with you in this way and to continue seeking You through prayer. I pray for my community that I live in and how You desire to use me to impact it. Guide me and direct me to use the gifts and talents You have given to me for the needs of others in my community and to develop a heart of love and compassion that reflects Your heart for people. Direct my thoughts and my mind as I seek You in this. (Take some time to be silent before God). Thank you God, for Your work in my life in this area! In Jesus' name I pray, Amen.

Our prayer for you is that these 21-days do not mark the end of your prayer journey but that it will continue in the days and weeks ahead and become an ongoing daily practice in your life. We are including some resources here for you to continue your habit of praying daily.
