

21 DAYS OF PRAYER

Day 8:

Focus for Today:

Today take some time to pray about the mission of The Ridge Community Church, "Helping people find and follow Jesus." You could pray that the mission of The Ridge will be effective in all that we do. Consider also praying for people connecting to The Ridge that they will take steps that allow them to find and follow Jesus. Also pray for your own role in helping people find and follow Jesus.

Daily Scripture:

John 8:12: When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

Prayer Example:

God, today I pause and come before You to pray about the mission of The Ridge, to help people find and follow Your son, Jesus. I pray that this mission would be effective in all that we do collectively as a church. I pray also for those who are connecting to The Ridge, that they will take steps in their faith journey that will allow them to find and follow Jesus. Father, do the work that only you can do in their lives to make this a reality. I pray as well for my own role in helping people find and follow Jesus. I pray that you ignite within me a passion for those who have not yet found You and Your love for them. Use me to point people toward You through my words and actions in everywhere I go and all that I do. In Jesus name I pray, Amen.
